PER CURIAM:

Tams Management, Inc. and Southern Coal Corporation appeal the district court's orders granting summary judgment in favor of the Appellee on its claims for breach of contract and breach of a guarantee agreement and denying reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. Lampert v. Tams Mgmt., Inc., No. 5:15-cv-06746 (S.D. W. Va. Mar. 11 & 18, 2016; June 22, 2016). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
